## Honor Box License Application - Instruction Sheet

This form is to be used when applying to place an honor box in the program area bounded by and including the south side of Spruce Street, the east side of 6th Street, the north side of Vine Street, and the west side of 21st Street. The numbers below match the numbered questions on the application form. Please fill in the appropriate information in the corresponding box on the application form.

1. **Name of Owner / Operator** – Individual or company name. Full name must be used.
2. **Telephone Number** – Telephone number of the individual or company listed in box #1.
3. **Business Address** – Address of the individual or company listed in box #1.
4. **Facsimile Number** – Facsimile number of the individual or company listed in box #1.
5. **Philadelphia Business Tax Account Number** - This is a number assigned by the Philadelphia Revenue Department to identify tax accounts. One tax account number is used for all of your City licenses, if under the same Business entity name and tax account number. If you do not have a tax account number, please go to [www.phila.gov/revenue](http://www.phila.gov/revenue) and fill out an application for a Philadelphia Business Tax Account Number. Any tax accounts previously opened for you which are unsettled or delinquent will cause a delay and may preclude the issuance of new licenses.
6. **Philadelphia Commercial Activity License Number** – Required for every person desiring to engage in business within the City of Philadelphia whether or not such person maintains a place of business in the City. This is a free, lifetime license and can be used for all your business ventures if using the same entity name and tax account number. Fill in the license number if you already have one. If you do not already have this license, you can apply by filling out form 81-685A, which can be downloaded from the web [www.phila.gov/li](http://www.phila.gov/li).
7. **Name of Contact** – Name of Contact – If the owner / operator wishes to designate a contact person other than the person listed in box #1 they must identify that person here. If a company is listed in box #1, then a contact person within that company shall be listed here.
8. **Telephone Number** – Contact person's telephone number.

9. **Contact's Address** – Contact person's address.

10. **Facsimile Number** – Contact person's facsimile number.

11. **License Fee Calculation** - To determine the correct fee:

List the total number of units, Multiply by fifty-five (55) to give the correct dollar amount.  
License fees are \$55 per unit.

*Special Note:* You are required to pay in advance for the number of honor boxes you are requesting. The Streets Department will make the final determination concerning the number of approved honor boxes and the specified locations. Should the number of honor boxes approved by the Streets Department amount to less than the number of honor boxes payment has been submitted for, a refund will be made to account for the discrepancy.

12. **License Type** – Place an “x” in the box in front of “Honor Box License”.

13. **Owner / Operator Certification** – Read certification statement, then sign and date on the respective lines.

### **PLEASE NOTE!!!**

In addition to answering the questions listed on the application form, the applicant must submit, on company letterhead, a list of the desired locations. The list must be in the following format:
