INSTRUCTIONS

1. The licensed fire suppression contractor must completely fill out this form. A separate form is required for each system. This form is valid only for installations in independent hood systems without common exhaust ducts.
2. Include with this form:
 - Building Permit Application (Completed)
 - Check For \$100.00 permit fee Payable To The City of Philadelphia
 - Stamped self-addressed return envelope
3. If a violation is issued for working without a permit, an inspection fee equal to the permit fee will be added as per City Council Ordinance.
4. You may apply in person at the Municipal Services Building or mail in the information to:

Department of Licenses & Inspections
Permit Services Division
1401 John F. Kennedy Boulevard
Philadelphia, PA 19102
Attention: Building Permit Supervisor
