EZ PERMIT
INTERIOR DEMOLITION
**For interior demolition of non-bearing
partition wall and ceilings**

EZ Interior Demolition Permit

Obtain permits for the interior demolition of non-bearing partition walls and ceilings without submitting plans by meeting the Conditions and Design Limitations below. Any deviations from this permit standard will result in permit revocation.

Conditions

- Limited to demolition of interior non-load bearing walls and ceilings only.
 - Removal of existing fire suppression systems shall not be applicable to EZ permit process.
- EZ permit process shall not be applicable to buildings listed as historic as established by the Philadelphia Historical Commission.
- Building inspector shall be notified a minimum of twenty-four (24) hours prior to the start of work under the demolition permit.
- Footway closure and dumpster permit to be obtained from the Philadelphia Streets Dept.
